

T Edina High School HESPIANS S

September 2021

Dear EHS Thespian Families,

Welcome to the Edina High School 2021-22 Thespian Season! The theatre program at EHS is dedicated to providing students with opportunities for performance, directing, technical and design experience. The EHS Thespian Booster Group is a 501(c)(3), nonprofit organization that includes all parents and thespian alumni who work together to support EHS thespian students and productions.

Who is a Booster? – all parents whose students participate in any way in the EHS Thespian Program are boosters as well as EHS thespian alumni and their parents! All Boosters are invited and encouraged to attend Booster meetings and to volunteer to support productions.

Once again, welcome, and we look forward to seeing you backstage and in the house!

Agnes Semington, EHS Thespian Booster President
